4.4.2 Cooperation by Manager. Manager agrees to cooperate with and assist Bark or its representative in good faith in any such investigations, including by providing us with such information as Bark may reasonably request.

4.5 Subscription Equipment. You acknowledge and agree as follows with respect to any Subscription Equipment provided to you by Bark under these Terms:

You agree that in the event your Services are terminated, you will return all Subscription Equipment to Bark within thirty (30) days of termination, unless otherwise instructed in writing by a Bark representative. If you upgrade or downgrade your Services and the Subscription Equipment that you possess is no longer required to support your new Bark Services, you must promptly return such Subscription Equipment. Such Subscription Equipment must be returned within thirty (30) days of notifying Bark of your decision to downgrade/upgrade your Service(s), unless otherwise instructed in writing by a Bark representative. The returned Subscription Equipment must be in good condition and without any encumbrances, except for ordinary wear and tear resulting from proper use. Upon your notification to Bark that you intend to terminate or downgrade/upgrade Services in a manner requiring return of your Subscription Equipment, Bark will issue you a return material authorization ("RMA") number and you will mail the Subscription Equipment to:

Bark Technologies, Inc.
Attn: Bark Device Replacements
695 N. Kays Drive
STE 4
Kaysville, UT 84037

The RMA number must be included on the outside carton label of the returned Subscription Equipment. Bark will inspect the Subscription Equipment for damage upon receipt. This provision shall survive the termination or expiration of this Agreement.

4.5.3 If you do not promptly return your Subscription Equipment in accordance with this Section 4.5.3, or if it is returned damaged or missing components ("Unreturned Subscription Equipment"), the damages Bark will incur will be difficult to ascertain. Therefore, Bark may charge

your account for your Unreturned Subscription Equipment, a one-time Unreturned Subscription Equipment charge as liquidated damages in an amount equal to Bark's reasonable estimates of the replacement costs and incidental costs that Bark incurs (the "Unreturned Subscription Equipment Charge"); provided, however, that such amount will not exceed the maximum amount permitted by law or the replacement cost of the Subscription Equipment. You will be responsible for (i) any missing components of, or damage to the Subscription Equipment as assessed by Bark upon receipt, (ii) the replacement cost of such Subscription Equipment if it is lost or damaged during transit, and (iii) shipping/handling costs, unless Bark provides written notice in advance that it will pay such costs.

5.2 **Restrictions on Use**. Manager and Managed User shall not: (i) decompile, reverse engineer, disassemble, attempt to derive the source code, libraries for or structure of, or decrypt the Bark Management Software, Bark Content, API, or the Bark Management Services, even for research purposes; (ii) make any modification, adaptation, improvement, enhancement, translation or derivative work from any Product(s); (iii) use the Product(s) in a manner that derives revenue directly from such use, or use the Product(s) for any other purpose for which it is not designed or intended; (iv) install, use or permit the Bark Content, API, or Bark Management Software to exist on any device or computer not allowed hereunder, or access Bark Content or the Bark Management Services in a manner not permitted or authorized hereunder; (v) distribute the Bark Management Software, API, or passwords to access Bark Content or the Bark Management Services to unauthorized devices or users; (vi) use Bark Content, API, Bark Management Software or the Bark Management Services for creating a product, service or software that is, directly or indirectly, competitive with or in any way a substitute for any services, product or software offered by Bark, or use, display, mirror or frame the Bark Management Services, or any feature, functionality, tool or content of the Bark Management Services, Bark's name, any Bark trademark, logo or other proprietary information, without Bark's express written consent; (vii) use any Product(s) to send automated queries to any website or to send any unsolicited commercial e-mail; (viii) use any proprietary information or interfaces of Bark or other intellectual property of Bark in the design, development, manufacture, licensing or distribution of any applications, accessories or devices for use with the Bark Management Software or Bark Devices or that uses Bark Content; (ix) avoid, bypass, remove, deactivate, impair, descramble, or otherwise circumvent, disable or tamper with any security-related components or other protective measures applicable to any Product(s), Bark's computer systems, or any technological measure implemented by Bark or any of Bark's providers or any other third party to protect the Products or the Managed Account status, including by attempting to access or use the Bark Management Services if the Managed Account has been suspended or cancelled or Manager or Managed User has otherwise been temporarily or permanently prohibited or blocked from using the Bark Management Services; (x) reproduce, archive, retransmit, distribute,

disseminate, sell, lease, rent, exchange, modify, broadcast, synchronize, publicly perform, publish, publicly display, make available to third parties, transfer or circulate Bark Content, API, Bark Management Software, or Bark Management Services; (xi) probe, scan, or test the vulnerability of any system or network of Bark or its providers, or breach or circumvent any security or authentication measures of such system or network; (xii) interfere with, disrupt, damage or compromise the Bark Management Services or Bark's systems or the access of any user, host or network in any way, including through the use of viruses, cancel bots, Trojan horses, harmful code, flood pings, denial-of-service attacks, backdoors, packet or IP spoofing, forged routing or electronic mail address information or similar methods or technology or by overloading, flooding, spamming, mail-bombing the Bark Management Services or otherwise imposing an unreasonable or disproportionately large load on the Bark Management Services; (xiii) access, copy, distribute, share, publish, use or store any Bark Content, including any information from or about any Managed User, for purposes that are inconsistent with the [Privacy Policy](#) or these [Bark Management Services Terms](#), or otherwise violate the privacy rights or any other rights of Managed Users or any other third party, including by disclosing, selling, renting, distributing or exposing any Bark Content to a third party, using it for marketing purposes, or otherwise using it for any purposes unrelated to the Bark Management Services; (xiv) query the API in a manner which causes damage or disruption to Bark's servers or cloud services, or interferes with the operation of the API or Services for other users; (xv) attempt to utilize the API as a vector for scripts, worms, malware, or other intrusions into Bark's networks, servers, or cloud services for any reason; (xvi) use any Product(s) for the purpose of directly competing with Bark; (xvii) use any Product(s) or other material in violation of any applicable law or regulation, including but not limited to any regulatory agency, such as FCC, rules or use or allow use of Bark Content, the Bark Management Services, API, or Bark Management Software for any non-permitted activities or purposes; (xviii) sell, lease, abandon, or give away the Subscription Equipment; or (xix) attempt to do any of the foregoing, or advocate, encourage or assist any third party in doing any of the foregoing. These obligations survive termination of these [Bark Management Services Terms](#).

5.3 **Restriction on Modification.** Manager and Managed User may not modify the Bark Devices, Bark Subscription Equipment, Bark Management Software, Bark Content, or the Bark Management Services for use in any way other than as described in Section 4.1 of these [Bark Management Services Terms](#). Any such modification will void any warranties, whether express or implied, on the Bark Devices and the Bark Management Software, and subject Manager and Managed User to immediate termination of the Bark Management Services. Further, any tampering with, destruction of, or other alteration of a Bark Device will void any warranties, express or implied, on the Bark Device. If and to the extent that the Bark Management Software is designed to be compliant with any published communications standard (including, without limitation, Bluetooth SIG, IEEE, and ITU standards), Manager and Managed User may not make any modifications to the Bark Management Software that would cause the Bark Management Software or the accompanying Bark Device to be incompatible with such standard.

5.4 **Restriction on Distribution.** Manager and Managed User shall not distribute or provide access to any of the Products, nor hold itself out as a distributor, author, or creator of any of the Products, nor lead others to believe through implicit or explicit means that it has the right to sublicense or otherwise distribute or provide access to any of the Products. Manager and Managed User may not loan, lease, rent, distribute, resell, or otherwise distribute or provide access to the Products other than as provided by the terms of these [Bark Management Services Terms](#) without the express written consent of Bark.

6. **Ownership.**

6.1 **Ownership.** Bark shall retain all right, title and interest, including all intellectual property rights, in and to (i) the design and technical specifications of the Bark Devices; (ii) all current or future Bark applications, including the Bark Apps; (iii) the Bark Management Software; (iv) the Bark Management Services; (v) the Bark Content, (vi) Subscription Equipment, and (vii) Bark Devices. Furthermore, Manager and Managed User acknowledge and agree that the source code and object code of the Bark Management Software and the format, directories, queries, algorithms, structure and organization of the Bark Management Software are the intellectual property and proprietary and confidential information of Bark and/or its collaborators, licensors and suppliers. Manager and Managed User hereby acknowledge and agree that they have no rights in or to any

Product(s) apart from those granted in these [Bark Management Services Terms](#). Manager and Managed User hereby covenant that they will not assert any claim that any Product(s) provided by Bark hereunder and used or accessed by Manager or Managed User from time to time, regardless of whether created by or for Bark, including any derivative works thereof, infringes any intellectual property right owned or controlled by Manager or Managed User. Manager and Managed User acknowledge and agree that the Bark Management Software, API, and all Bark Content and the compilation (meaning the collection, arrangement, and assembly) of all Bark Content are the property of Bark or its licensors and are protected under copyright, trademark, and other laws. You agree that Subscription Equipment will remain the property of Bark and you will not acquire any ownership or other interest in any Subscription Equipment or any Bark Management Software incorporated therein by virtue of any payment made pursuant to these Terms or by any attachment of the Subscription Equipment to your premises in which they are used (the "Premises"). You agree that Subscription Equipment will not be deemed fixtures or in any way part of the Premises. You agree to use Subscription Equipment only for receiving and/or using the Bark Home Services pursuant to these Terms.

6.2 No Other Rights Granted. Apart from the license rights expressly set forth in these [Bark Management Services Terms](#), Bark does not grant, and Manager and Managed User do not receive, any ownership right, title or interest nor any security interest or other interest in or to any intellectual property rights relating to the Bark Devices, the Bark Management Services, Bark Content, API, and/or the Bark Management Software, nor in or to any copy of any part of the foregoing. Manager and Managed User shall not have any right to grant a security interest in or to the Bark Management Services, Bark Content, API, and/or the Bark Management Software, or to any intellectual property relating to the foregoing or to any Bark Device.

6.3 Proprietary Notices. Manager and Managed User shall not remove, efface or obscure any copyright or trademark notices from the Bark Content, Bark Management Software or the Bark Management Services or from any copies thereof. Manager and Managed User acknowledge that any symbols, trademarks, tradenames, and service marks adopted by Bark to identify any Product belong to Bark and that Manager and Managed User shall have no rights therein.

6.4 Third-Party Content. The Bark Management Services may contain content from Bark's partners and licensors. Except as provided within these [Bark Management Services Terms](#), Manager and Managed User may not copy, modify, translate, publish, broadcast, transmit, distribute, perform, display, make derivative works based on, or sell any content appearing on or through the Bark Management Services. Manager and Managed User understand and agree that Manager will not obtain, as a result of its use of the Bark Management Services, any right, title, or interest in or to the Bark Content, or any third party delivered via the Bark Management Services or in any intellectual property rights therein (including, without limitation, any copyrights, patents, trademarks, trade secrets, or other rights).

6.5 Usage Data. Use of the Bark Management Services, and features and applications within the Bark Management Services, creates a record of Submissions and Usage Data. Subject to the terms outlined in the [Privacy Policy](#), Bark requires this Usage Data to: enable the provision of the Bark Management Services; test, improve, and refine the capabilities of the Bark Management Software; provide summary statistics on application and feature use, "up times," software response times, and other measures of application usage and performance; and for purposes with similar objectives of application improvement, improved feature development, and user behavior studies and reports. By using the Bark Management Services, Manager and Managed User, agree to and hereby do assign, transfer, grant, and convey all rights, title, and interest in and to the Usage Data to Bark. To the extent that such an assignment is deemed to be invalid, Manager and Managed User agree to and hereby do grant to Bark a world-wide, perpetual, irrevocable, non-exclusive, sub-licensable, royalty-free, transferable license to use the Usage Data for the above-described purposes.

6.6 Account Data. Bark claims no ownership over the Account Data of the Manager and Managed User. Manager and Managed User respectively grant Bark a world-wide, perpetual, irrevocable, non-exclusive, sub-licensable, royalty-free, transferable license to reproduce, distribute, publicly display, publicly perform, create derivative works of, and otherwise use, modify, and exploit their Account Data for the purposes of providing the Bark Management Services. As between Bark

and Manager or Managed User, as the case may be, Manager and Managed User retain all copyright and trademark rights to any of such Account Data.

7. **Data Protection and Privacy.**

7.1 **Protection of Personal Data.** Bark processes and uses the Account Data of the Manager and Managed User to deliver, analyze, support and improve the Products and as otherwise permitted in these [Bark Management Services Terms](#) and the [Privacy Policy](#). Bark will maintain appropriate administrative, physical and technical safeguards, which are designed to protect the security, confidentiality and integrity of Personal Data processed by Bark. Manager and Managed User agree that Bark may share their Account Data with third party service providers consistent with the [Privacy Policy](#) in order to assist in providing and improving the Products, provided that such third-party service providers agree to provide no less than the same level of data protection and information security required of Bark hereunder.

7.2 **State Specific Provisions.** The provisions of Section 13 of the [General Terms and Conditions](#) are hereby incorporated by reference and apply to these [Bark Management Services Terms](#) with the necessary amendments (mutatis mutandis).

7.3 **International Data Transfers.** Manager and Managed User agree that Bark may process and store their Account Data outside of the country where it was collected, provided that, with respect to Bark's transfer of Account Data that constitutes Personal Data, Bark shall ensure that, notwithstanding any cross-border transfer of data, it shall always remain compliant with its obligations under Section 7.1 of these [Bark Management Services Terms](#).

7.4 **Communications.** By using the Bark Management Services or providing Personal Data to Bark, Manager and Managed User agree that Bark may communicate with Manager electronically regarding security, privacy, and administrative issues relating to Manager's and Managed User's use of the Bark Management Services, as well as for product releases, product updates, marketing events, and third-party products or services Bark would like to communicate with Manager about. If Bark learns of a security breach, Bark may attempt to notify Manager electronically by posting a notice on the Bark Management Services or sending an email to Manager. Manager may have a legal right to receive this notice in writing. To receive written notice of a security breach (or to withdraw Manager's consent from receiving electronic notice), please write to Bark at help@bark.us.

8. **Limitations of the Bark Management Services; Location Services.**

8.1 **Content Blocking Not Guaranteed.** Manager and Managed User acknowledge that use of the Management Services does not guarantee that content Manager or Managed User deems objectionable will be 100% unavailable at all times or at any time. Manager and Managed User assume full risk and responsibility for the use of or reliance on the Bark Management Services as regards content blocking. "False positive" content blocking may occur from time to time or at any time. Bark strives to allow sufficiently granular control of content filters to allow educational or meritorious content through, if that is the intent of the user. However, there is no guarantee that some content that Manager or Managed User would deem acceptable will not be blocked by the Bark Management Services. In the event that Manager or Managed User believes Bark is mis-categorizing a site or service, please contact Bark support at help@bark.us to submit the issue for review.

8.2 **Service Limitations.** There are certain circumstances that may limit the availability or effectiveness of the Bark Management Services, including:

8.2.1 **Service Area** - The Bark Management Services are currently configured for use in the local jurisdiction in which Manager and Managed User registered for the Bark Management Services. For example, users that registered for the Bark Management Services in the United States will be limited to use of the Bark Management Services only in the United States, and users that registered for the Bark Management Services in another country will be limited to use of the Bark Management Services in such country. Notwithstanding the foregoing, use of the Bark Management Services and Bark Devices is limited to the United States and those other countries

and/or territories identified in Section 13 of the [General Terms and Conditions](#). Any use of the Bark Management Services and/or Bark Devices outside of such countries and/or territories is strictly prohibited.

8.2.2 Service Interruptions - The Bark Management Services can be interrupted for any reason that disrupts internet access or GPS capabilities, including in the event of: (a) electrical power outages, (b) natural disasters, (c) electronic interference, (d) an outage affecting the data transport service, (e) failure of originating or terminating access lines, (f) network congestion and/or reduced routing speed of Bark's network or another network (for example, due to spikes in call volume in the wake of local or national disasters), causing failed calls, busy signals or unexpected answering wait times (which may be longer than emergency calls placed via traditional telephone networks), (g) compatibility issues, or (h) equipment failures relating to your equipment (e.g., your mobile phone) or Bark's equipment, including, hardware or software failures or misconfiguration affecting Bark, its offices, data centers, and/or any of its service providers.

8.2.3 Location Services. Certain features of the Services are designed to collect and share location information about your Users. To access and use these features, the Services collect location, sensory and motion data from your User(s)' mobile device to share location information and otherwise provide or facilitate the features and functionality of the Services. To work properly, these features require the corresponding Bark App to be installed on the Device for which location and movement data will be provided, and require access to location, sensory and motion data from the Device. These features may not work properly if the corresponding device permissions and settings allowing access to location, sensory and motion data are not properly configured or enabled. In addition, the features may not work for a variety of reasons, such as if the device that the Bark App is installed on is not powered on and connected to the wireless service provider's network (e.g., it will not work if the phone is connected to a wi-fi network), if location services are turned off, if the Services are not being used or are blocked on the Device, if the User is making a phone call through the Device, and for other reasons. Please refer to your User's app settings to learn more about accessing and using these features.

9. Warranty and Support.

9.1 Limited Warranty on the Bark Devices. This limited warranty covers the operation of Bark Devices in Manager's and Managed User's home network. All Bark Devices purchased from Bark (which, for the avoidance of doubt, excludes all Third Party Hardware), carry a warranty of operability for a period of twelve (12) months from the date of purchase from a Service Provider. Subscription Equipment carries a warranty of operability for a period equal to the term of your subscription for such Subscription Equipment. If a Bark Device fails to power on, does not successfully initialize, or otherwise fails due to a manufacturing defect or through the normal use or wear of the Bark Device when used in accordance with Bark's applicable specifications during the warranty period, **MANAGER'S AND MANAGED USER'S FIRST RECOURSE FOR REFUNDS OR EXCHANGES IS TO THE RETAILER WHERE THE DEVICE WAS PURCHASED ACCORDING TO THE RETAILER'S RETURN POLICIES.** If the retailer is unable to exchange or refund the purchase, or if the Bark Device was purchased directly from Bark or is provided by Bark as Subscription Equipment, Manager or Managed User may send the malfunctioning device, along with a copy of the purchase receipt, a return material authorization ("RMA") number issued in advance by our technical support agent, and, if applicable, a description of the problems encountered, to:

Bark Technologies, Inc.
Attn: Bark Device Replacements
695 N. Kays Drive
STE 4
Kaysville, UT 84037

When requesting an RMA number, proof of purchase or proof of installation by a Service Provider must be provided. The RMA number must be included on the outside carton label of the returned Bark Device. Bark will inspect the Bark Device and any accompanying documentation of malfunction. After such inspection, and depending upon the findings of such inspection, Bark may, at its discretion: (i) return the Bark Device to the Manager or Managed User with a certification that it

is functional; (ii) repair any manufacturing defect or malfunction caused by the normal use or wear of the Bark Device when used in accordance with Bark's applicable specifications, and then return the Bark Device to the Manager or Managed User with a certification that a repair has been made, and that the Bark Device should now function according to Bark's applicable specifications; (iii) issue a refund to Manager or Managed User (for Bark Devices purchased directly from Bark); (iv) send a replacement Bark Device to Manager or Managed User; or (v) notify Manager or Managed User that the device is not subject or entitled to the limited warranty. IF THE BARK DEVICE IS SUBJECT AND ENTITLED TO THE LIMITED WARRANTY, MANAGER OR MANAGED USER SHALL BE ENTITLED UNDER THIS SECTION TO A REFUND OF ITS PURCHASE PRICE, REPAIR OF ITS BARK DEVICE, OR A REPLACEMENT BARK DEVICE, AT BARK'S ELECTION. MANAGER AND MANAGED USER ACKNOWLEDGE AND AGREE THAT THIS LIMITED WARRANTY DOES NOT COVER ANY WEAR OR DAMAGE RESULTING FROM THE INCORRECT USE OF A BARK DEVICE, AND PROVIDES NO OTHER REMEDIES OR IMPLIES ANY LIABILITY ON BARK'S PART. This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

9.2 Third Party Hardware. Insofar as the Manager and/or Managed User utilizes the Bark Management Software installed on Third Party Hardware, including without limitation a User Device, any questions or concerns related to the functioning of the hardware must be handled in accordance with the third party's expressed warranty and remediation processes. Bark in no way assumes responsibility for the functionality or operability of Third Party Hardware and the limited warranty set forth in Section 9.1 of these [Bark Management Services Terms](#) above does not cover any Third Party Hardware, including, without limitation, any User Devices, regardless of whether such hardware incorporates Bark technology or Bark Management Software.

9.3 Disclaimer of Warranties.

THE BARK DEVICES, THE SUPPORT SERVICES, THE API, THE BARK CONTENT, AND THE BARK MANAGEMENT SOFTWARE ARE ALL OFFERED "AS IS" AND "WITH ALL FAULTS." TO THE EXTENT PERMITTED BY LAW, AND APART FROM THE LIMITED WARRANTY IN SECTION 9.1 OF THESE [BARK MANAGEMENT SERVICES TERMS](#), BARK GRANTS AND MANAGER AND MANAGED USER RECEIVES NO WARRANTIES OF ANY KIND, WHETHER ESTABLISHED BY STATUTE, COMMUNICATION OR CONDUCT WITH MANAGER OR MANAGED USER, OR OTHERWISE. BARK DISCLAIMS ALL AND GRANTS NO IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NONINFRINGEMENT CONCERNING ANY PRODUCT(S), OR ANY UPGRADES TO OR DOCUMENTATION FOR ANY OF THE PRODUCT(S). WITHOUT LIMITATION OF THE ABOVE, BARK GRANTS NO WARRANTY THAT THE PRODUCTS OR SUPPORT SERVICES ARE ERROR-FREE OR WILL OPERATE WITHOUT INTERRUPTION, AND GRANTS NO WARRANTY REGARDING THEIR USE OR THE RESULTS THEREFROM INCLUDING, WITHOUT LIMITATION, THEIR CORRECTNESS, ACCURACY OR RELIABILITY. THIS SECTION SHALL SURVIVE TERMINATION OF THESE [BARK MANAGEMENT SERVICES TERMS](#).

FURTHERMORE, BARK AND ITS COLLABORATORS, SUPPLIERS AND LICENSORS MAKE NO WARRANTY THAT (I) THE PRODUCTS OR SUPPORT SERVICES WILL MEET YOUR REQUIREMENTS; (II) USE OF THE PRODUCTS WILL BE UNINTERRUPTED, ACCURATE, RELIABLE, TIMELY, SECURE, FREE FROM VIRUSES OR OTHER HARMFUL COMPONENTS OR ERROR-FREE; (III) THE QUALITY OF ANY PRODUCTS, SUPPORT SERVICES, INFORMATION OR OTHER MATERIAL ACCESSED OR OBTAINED BY YOU THROUGH USE OF THE PRODUCTS WILL BE AS REPRESENTED OR MEET YOUR EXPECTATIONS; OR (IV) ANY ERRORS IN THE PRODUCTS WILL BE CORRECTED. NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY YOU FROM BARK OR FROM USE OF THE PRODUCTS OR SUPPORT SERVICES SHALL CREATE ANY REPRESENTATION, WARRANTY OR GUARANTY. FURTHERMORE, YOU ACKNOWLEDGE THAT BARK AND ITS COLLABORATORS, SUPPLIERS AND LICENSORS HAVE NO OBLIGATION TO CORRECT ANY ERRORS OR OTHERWISE.

9.4 Manager Acknowledgements and Warranties. Manager and Managed User represent and warrant to Bark that:

9.4.1 Manager has the power and authority to accept and agree to the [Bark Management Services Terms](#), both in his/her personal capacity and, where applicable, on behalf of Managed User and is duly authorized to act for and on behalf of Managed User, and to give the applicable undertakings and consents contained herein;

9.4.2 Manager owns or controls all of the rights necessary to grant the rights and licenses granted herein, including, without limitation, all necessary authority and right to monitor and collect the Account Data collected by or through the Bark Management Services;

9.4.3 Manager has requested and received the consent of any Managed User contemplated in clause 4.2.1, including to share Managed User's Personal Data with Bark;

9.4.4 To the extent Manager or Managed User has installed or otherwise uses a Bark Device, Manager has informed or will inform all persons using the network to be monitored, that their activities will be monitored by the Bark Management Services and any related data, including Account Data concerning all Managed Users, may be accessed by Manager and/or the Bark or the applicable Service Provider;

9.4.5 Manager and Managed User will not violate any federal, state or local laws, rules or regulations or infringe the rights of any third party, including, any intellectual property, privacy or publicity-related rights, in connection with Account Data or otherwise in connection with Manager's and Managed User's access to or use of the Products;

9.4.6 the exercise by Bark of the rights granted by Manager and Managed User hereunder will not cause Bark to violate any applicable laws, rules or regulations, or to infringe the rights of any third party; and

9.4.7 all account information provided by Manager and/or Managed User will be complete, accurate and up-to-date when provided, and updated as necessary to ensure that it remains complete, accurate and up-to-date.

9.5 Modifications and Updates. Bark reserves the right, in its sole discretion, to modify or discontinue offering any Product(s), in whole or in part, including any features, functionality, tools or content thereof, at any time, for any reason or no reason, with or without notice to Manager or Managed User. Bark may from time to time develop and provide Updates for the Products. Updates may also modify or delete features, functionality, tools or content in their entirety. Based on Product settings, when Product(s) are connected to the internet either: (a) the Updates will automatically download and install; or (b) Manager may receive notice of or be prompted to download and install available Updates. Manager agrees to promptly download and install all required or automated Updates made available by Bark from time to time, including all available patches to address security, interoperability or performance issues. If Manager does not install the latest Updates, portions of the Products may not properly operate. All Updates will be deemed part of the Products and be subject to all terms and conditions of these [Bark Management Services Terms](#). Manager agrees that Bark has no obligation to provide any Updates or to continue to provide or enable any particular features, functionality, tools or content, and will not be liable with respect to any such modifications, discontinuances or deletions.

9.6 Supported Uses. Use of the Products is limited to the systems and applications that are supported. Manager is required to read the documentation delivered with the Products or provided online by Bark to determine if its intended use is supported. The Products are not designed, intended, or certified for use in components of systems intended for the operation of weapons, weapons systems, nuclear installations, means of mass transportation, aviation, life-support computers or equipment (including resuscitation equipment and surgical implants), pollution control, hazardous substances management, or for any other dangerous application in which the failure of the Products could create a situation where personal injury or death may occur. Manager and Managed User understand that use of the Products in such applications is fully at the risk of Manager and Managed User.

9.7 Permission to Access; Support. Manager and Managed User understand and agree that directly requesting Support Services through any communication channel for the setup,

continued use, or technical troubleshooting of its Products or Managed Account(s) will also constitute express permission to allow Bark or its duly authorized support representatives to access Manager's and Managed User's Products, Device(s) or Managed Account details remotely for the sole purposes of viewing or changing logs, configurations, software processes, or any other information stored locally on such Products, Device or in Bark servers. Bark requires such access in order to troubleshoot, debug, or optimize the setup or use of the Bark Management Services. Manager may limit the level of access Bark or its duly authorized support representatives have to Manager's and Managed User's Products or Devices or Managed Account only by explicitly stating at the moment of the support request the specific limitations they wish to impose with regard to the logs, diagnostics, configurations, software processes, or other locally-stored information. Manager and Managed User agree that nothing in these [Bark Management Services Terms](#) shall obligate Bark to provide any Support Services for the Products. Bark may, but shall be under no obligation to, correct any defects in the Products and/or provide updates to the Products. Manager shall make reasonable efforts to promptly report to Bark any defects it finds in the Products, as an aid to creating improved revisions of the Products. MANAGER AND MANAGED USER UNDERSTAND THAT THE SUPPORT SERVICES AND ALL INFORMATION, CONTENT, OR MATERIALS INCLUDED IN OR MADE AVAILABLE AS PART OF THE SUPPORT SERVICES ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. EXCEPT AS EXPRESSLY SET FORTH HEREIN, BARK MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED, AS TO THE RESULTS THAT MAY BE OBTAINED FROM THE USE OF THE SUPPORT SERVICES OR AS TO THE ACCURACY OR RELIABILITY OF ANY INFORMATION, CONTENT OR MATERIALS OBTAINED OR MADE AVAILABLE TO YOU THROUGH THE SUPPORT SERVICES. YOUR USE OF THE SUPPORT SERVICES AND ALL INFORMATION, CONTENT OR MATERIALS INCLUDED IN OR MADE AVAILABLE AS PART OF THE SUPPORT SERVICES IS AT YOUR SOLE RISK. MANAGER AND MANAGED USER ACKNOWLEDGE AND AGREE THAT THE FOREGOING DISCLAIMERS AND LIMITATIONS ARE IN ADDITION TO, AND NOT IN SUBSTITUTION OF, THE DISCLAIMERS AND LIMITATIONS SET FORTH IN SECTIONS 9.2 OF THESE [BARK MANAGEMENT SERVICES TERMS](#) AND SECTION 7 OF THE [GENERAL TERMS AND CONDITIONS](#).

10. **Confidentiality.**

10.1 **Obligations.** Manager and Managed User acknowledge and agree that any documentation relating to the Products, and any other information (if such other information is identified as confidential or should be recognized as confidential under the circumstances) provided to Manager or Managed User by Bark hereunder shall constitute "Confidential Information" of Bark, and that Manager's and Managed User's protection thereof is an essential condition to Manager's and Managed User's use and possession of the Products. Manager and Managed User shall: (a) retain all Confidential Information in strict confidence and not disclose it to any third party unless otherwise required to comply with law or a binding order of a court of governmental authority with the authority to require disclosure. Manager and Managed User will exercise at least the same amount of diligence in preserving the secrecy of the Confidential Information as it uses in preserving the secrecy of its own confidential information, but in no event less than reasonable diligence. Information shall not be considered Confidential Information if and to the extent that it: (i) was in the public domain at the time it was disclosed or has entered the public domain through no fault of the Manager or Managed User; (ii) was known to the Manager or Managed User, without restriction, at the time of disclosure as proven by the files of Manager or Managed User in existence at the time of disclosure; or (iii) was developed by or for Manager or Managed User without use or knowledge of or access to Confidential Information or violation of these [Bark Management Services Terms](#) or (iv) becomes known to Manager or Managed User, without restriction, from a source other than Bark without breach of these [Bark Management Services Terms](#) by Manager or Managed User and otherwise not in violation of Bark's rights.

10.2 **Return of Confidential Information.** Notwithstanding the foregoing, all documents and other tangible objects containing or representing Confidential Information and all copies thereof which are in the possession of Manager and Managed User shall be and remain the property of Bark, and shall be promptly returned to Bark or destroyed, and all electronic copies deleted, upon written request by Bark or upon termination of these [Bark Management Services Terms](#).

10.3 **Injunctive Relief.** In addition to any other rights and remedies available to Bark

hereunder or at law, Manager and Managed User acknowledge and agree that any breach of confidentiality and non-disclosure such obligations may result in irreparable and continuing damage to Bark for which there will be no adequate remedy in damages, and the Bark will be authorized and entitled to seek injunctive relief, without the necessity of posting a bond even if otherwise normally required, and/or a decree for specific performance, and such further relief as may be proper from a court with competent jurisdiction.

11. **Payment; Service Providers.**

11.1 **Purchases, Subscription Equipment and Payment Terms.** If Manager or Managed User purchases Products directly from Bark, and/or subscribe for Subscription Equipment, Manager and Managed User hereby authorize Bark to charge the purchase amount and/or subscription fee to the Payment Mechanism on file in the amounts and on such payment dates as set forth in the Managed Account. ***Manager further authorizes Bark to charge any applicable Unreturned Subscription Equipment Charge to the Payment Mechanism on file with Bark.*** If Manager or Managed User purchased Products through a Service Provider, all payment-related terms (including, but not limited to, pricing, invoicing, billing, payment methods, delivery, returns, and late payment charges) will be set forth in Manager's or Managed User's agreement directly with such Service Provider. Notwithstanding anything to the contrary, the agreement between Manager or Managed User and Service Provider: (i) shall not modify any of the terms set forth herein, and (ii) is not binding on Bark.

11.2 **Account Data.** If Manager or Managed User purchases Products through a Service Provider, Manager and Managed User acknowledge and agree that such Service Provider may have access to their respective Account Data, including all data that may be captured or stored on a Device as a result of Manager's and Managed User's use of the Bark Management Services. Manager and Managed User acknowledge and agree that Bark is not liable in any way with respect to such access or use of such Account Data by a Service Provider.

12. **Export Regulations.** MANAGER AND MANAGED USER UNDERSTAND AND AGREE THAT THE PRODUCTS ARE SUBJECT TO UNITED STATES AND OTHER APPLICABLE EXPORT-RELATED LAWS AND REGULATIONS AND THAT MANAGER AND MANAGED USER MAY NOT EXPORT, RE-EXPORT OR TRANSFER THE PRODUCTS EXCEPT AS PERMITTED UNDER THOSE LAWS. WITHOUT LIMITING THE FOREGOING, EXPORT, RE-EXPORT OR TRANSFER OF THE PRODUCTS TO CUBA, IRAN, NORTH KOREA, SUDAN AND SYRIA IS PROHIBITED.

13. **Third Party Specific Provisions.**

13.1 **iOS Store.** The following provisions apply to Products downloaded from the iOS Store:

13.1.1 **Acknowledgement.** Manager and Managed User acknowledge that these [Bark Management Services Terms](#) are between Manager, Managed User and Bark and not with Apple, Inc. or any of its affiliates (collectively, "Apple") and that Bark, and not Apple, is solely responsible for the Products and the content thereof.

13.1.2 **Scope of License.** The license granted to Manager and Managed User hereunder for use of Products is limited to a personal, non-transferable, non-assignable, revocable and non-exclusive right to use the Products on any Apple-branded products owned or controlled by Manager or Managed User for the relevant subscription period and subject to the terms and conditions set forth in these [Bark Management Services Terms](#), and as permitted by the usage rules set forth in the App Store Terms of Service.

13.1.3 **Maintenance and Support.** Bark, and not Apple, is solely responsible for providing maintenance and support services with respect to the Products. Manager and Managed User acknowledge and agree that Apple has no obligation whatsoever to furnish any such maintenance and/or support services with respect to the Products.

13.1.4 **Warranty.** Bark, and not Apple, is solely responsible for the breach of any warranties specifically set forth in these [Bark Management Services Terms](#). If the Products fail to

conform with any such warranties, including Manager's or Managed User's right to a refund, Manager or Managed User may notify Apple of such non-conformity and Apple will refund the purchase price paid by Manager or Managed User for the applicable Product(s) and, to the maximum extent permissible by applicable law, Apple will have no other warranty obligation whatsoever to Manager or Managed User with respect to the Products, and any other claims, losses, liabilities, damages, costs or expenses attributable to any failure to conform to any such warranty will be Bark's sole responsibility.

13.1.5 Product Claims.
